Current priorities –

The rural team’s current priority coming into the Winter months are to keep the hi-visibility patrols in certain areas of South Cadbury and Sutton Montis for anti-social behaviour.

Future priorities –

The rural team to continue patrols in the hot spots and to do some local checks on areas where we have speeding reports, anti-social behaviour and neighbourhood disputes. The team will be working hard by working closing with housing associations on our elderly and vulnerable communities.

Walk and Talk

Avon and Somerset Police are inviting women to meet with female police officers and PCSOs to show them areas in which they feel vulnerable or unsafe in their local communities. Walk and Talks are open to women aged 18 and above who wish to share their worries or concerns regarding their safety in the local area with officers.

What to expect

- You will be paired with a female police officer or PCSO.
- The walks will take place at a mutually convenient time for you.
- They will last around 30 minutes.
- They will be tailored to the areas you wish to address or discuss.

This is an opportunity to raise any worries or concerns over your safety in your local area so the police, along with partner agencies, can see what they can do to improve women's safety on our streets.

You can register for a visit by filling out our Avon and Somerset website.

Currently, this initiative is only taking place in Somerset and North Somerset. However, we hope to roll it out to other areas of our force in the near future. If you are interested in a Walk and Talk outside of Somerset, email walkandtalk@avonandsomerset.police.uk to register your interest.
